

# Our Mission

*The League of Women Voters of Georgia,*

*a nonpartisan political organization, encourages the informed and active participation of citizens in government, increases understanding of major policy issues, and influences public policy through education and advocacy.*

# Our Project

In 2000, Georgia ranked 48th nationally in voter turnout. **Be Counted** is an effort to encourage Georgians to register, get educated and **VOTE in 2006.**

# Our Goal

*Increase Voter Participation in Georgia*

The League of Women Voters provides unbiased information on candidates and ballot issues through our nonpartisan Voter Guides and Election Day reminders. We register new voters, answer questions about voting and encourage eligible citizens to Be Counted.

# Our Duty

We can do better than 48th. Voting is the highest form of patriotism and a true expression of being American. *What Can You Do?*
